Friday	Collect 3 different soil samples from your neighborhood. You should have no more than 2 teaspoons of each soil sample. Enclose the samples in different, sealed Ziploc bags. Label each bag with your name and where you found the soil. Bring in samples to school on Monday.
	Study Guide for the Week
Spelling Words	<i>See your list in your spelling notebook.</i>
Reading/Language Arts	Know that proper nouns are special names for people, places and things and begin with capital letters . Know that common nouns are people, places and things and do not need capitalization . Know that the cause tells why and the effect tells what happened .
Math	Know the value of each coin . Be able to use subtraction to figure out change . Be able to use coin combinations to create different amounts .
Science	Be able to explain how fossils are formed. Be able to name the different types of fossils (cast, amber, petrified).
Social Studies	Be able to explain what happens to land and soil over time. (Erosion, weathering)
Projects/ Long term Assignments	EXTRA CREDIT- Find photos of fossils or made a model of a fossil and bring it into class to share with the third graders. EXTRA CREDIT-Create a poem to stress the importance of voting. Tell who you would vote for if you were 18 in the poem.
Special Announcements	Field Trip to Fernbank is TOMORROW, Tuesday, September 23. If you have not paid, please send money in tomorrow, or your child will not attend!! (\$17 for trip) Please send in cereal bars for snacks!! Thank you, The Third Grade Triple Threat!! (Little, Ross and Upshaw ☺)

We look forward to a wonderful school year with you and your student!
