

Math/Science Homework/5th Grade/2008-2009
Mr. Udoh

09/22/08

GOOD DAY. This week in math we're studying adding, subtracting, multiplying, and dividing DECIMALS (Chapters 11, 13, 14).

The Science homework is for Mr. Udoh's homeroom students only.

The SECOND Math PROGRESS REPORTS will be sent home this week.

Please review all assignments with your child daily. All assignments must be completed and returned on the due dates. Excuses for missing homework should be written and signed by the parent. Verbal excuses from the child will not be accepted. Thanks in advance for your cooperation.

Monday – Georgia Math p. 283

Tuesday – Georgia Math p. 288/Science p. 74 – 85 (RS 15)

Wednesday – Georgia Math p. 333

Thursday – Georgia Math p. 335/Science p. 74 - 85 (RS 15)

Friday – Georgia Math p. 337

*In the event your child comes home without homework, please send me a note the following day reporting this fact. Meanwhile, require them to practice their times table chart and read a book. They should write a report on the story/book read.
