

Math/Science Homework/5th Grade/2008-2009
Mr. Udoh

10/13/08

GOOD DAY. This week in math we're studying the MULTIPLICATION and DIVISION of DECIMALS (Chapters 13, 14).

The Science homework is for Mr. Udoh's homeroom students only.

REPORT CARDS will be sent home by the end of this week.

The FIVE-PARAGRAPH ESSAY on Math Project 3 is due by **10/15/08**.

Please review all assignments with your child daily. All assignments must be completed and returned on the due dates. Excuses for missing homework should be written and signed by the parent. Verbal excuses from the child will not be accepted. Thanks in advance for your cooperation.

Monday – Georgia Math p. 337

Tuesday – Georgia Math p. 341/Science Chapter 2 (RS 20)

Wednesday – Georgia Math p. 345

Thursday – Georgia Math p. 353 /Science Chapter 2 p.111 (Writing)

Friday – Georgia Math p. 355

*In the event your child comes home without homework, please send me a note the following day reporting this fact. Meanwhile, require them to practice their times table chart and read a book. They should write a report on the story/book read.
