	Study Guide for the Week
Vocabulary/Spelling Words for the week	<i>diversity cultural global awareness similarities differences currency pollution recycle</i>
Reading/Language Arts	Know the elements of a story . The plot tells what happened in the beginning, middle and end of the story . The characters are the animals or people in the story , and the setting tells when and where the story takes place. Know the problem explains what went wrong in the story and that the solution explains how the problem was solved. Know that a command (imperative) sentence tells someone to do something, ends with a period and an exclamatory sentence shows strong feeling and ends with an exclamation mark.
Math	Know there are different ways to solve word problems. Know clue words such as in all, how many more, etc. Know which operation to choose when you see the clue words. Know the value of a place up to the thousands. Know how to write a number in expanded form (i.e. $434 = 400+30+4$)
Science	Know that a mineral is a natural substance . Know that rocks are made of minerals . Be able to give examples of each. Know that you test the hardness of a mineral with a scratch test .
Social Studies	Know that the USA is a democratic nation , meaning it is governed by the people . Know that the concept of democracy began in Athens, Greece . Know that the Parthenon is the building that was the model for government buildings in the U.S.
Projects/ Long term Assignments	
Special Announcements	<i>Please be reminded that there is a PTA meeting on tomorrow!! See you there! Additionally, please send in school supplies as soon as possible!! They are important to help your child's learning experience be the ULTIMATE!! Please send in snacks!! Thank you, The Third Grade Triple Threat!! (Little, Ross and Upshaw ☺)</i>

We look forward to a wonderful school year with you and your student!
